ACHE REGENT LETTER

Chris Fraser, MBA, FACHE

Regent for Delaware, American College of Healthcare Executives
Deputy Chief Operating Officer, Westside Family Healthcare

Dear Healthcare Leaders,

I hope that you each had a happy Thanksgiving and want to wish you all a wonderful upcoming holiday season!

Recent Events

As many of you know, this is a busy time of the year for our HLNDV chapter of ACHE. We kicked off our HLNDV Annual Meeting at KPMG Philadelphia on October 3 and followed that up with an early careerist event and several volunteer activities. Here in Delaware, our Delaware Local Planning Council, chaired by Patty Resnik, FACHE, offered an ACHE face-to-face credit panel discussion, *Leading A Successful Multigenerational Organization*. The discussion was made possible in partnership with the Delaware Healthcare Association as part of their 23rd Annual Delaware Healthcare Forum on October 29 in Dover, where over 300 individuals were in attendance. In bringing you these opportunities, many thanks are due to our HLNDV President, Emily Burrell, FACHE, and our dedicated volunteers on the HLNDV Board and HLNDV committees, including our DE and NJ Local Planning Councils.

Upcoming

We have some excellent upcoming events and I would encourage you to connect with other members of our chapter by attending or getting involved. These include: 1) our Annual HLNDV and DVHIMSS Holiday Networking event at World Café Live on December 10, 2) our community service event at Ronald McDonald House of Delaware on December 29, and 3) our upcoming annual Lee White Innovation Institute in February 2020. More information can be found on our HLNDV website:

ACHE Connection

I'm pleased to share these important highlights from ACHE:

- ACHE invites you to join the #GivingTuesday movement on December 3. Please consider making a donation to the [Foundation of ACHE's Fund for Healthcare Leadership](#). Your contribution supports ACHE's mission to develop the next generation of executives and leaders through scholarships and other vital resources, including the Thomas C. Dolan Executive Diversity Program and the Executive Education Academy.
- For those working toward board certification as an ACHE Fellow (FACHE), finish the year on a high note by signing up to take the [Board of Governors Exam](#) by December 31, 2019. Those who pass the Exam by that date and meet the FACHE eligibility requirements will be eligible to participate in the Convocation Ceremony at the 2020 Congress on Healthcare Leadership.
- Registration is now open for the 2020 Congress on Healthcare Leadership, March 23 to 26, 2020, at the Hyatt Regency in Chicago. Sign up here: <https://congress.ache.org/>.

Closing Thoughts

In the spirit of the season, thank you all for being *leaders who care*, as our ACHE motto references. Your leadership truly makes a difference in the communities that we serve. And again, please join with me in thanking our team of dedicated volunteers who serve as committee and board members with our HLNDV chapter of ACHE.

If you have any questions or would like to get more involved with ACHE and HLNDV, please do not hesitate to reach out to me at any time.

Thank you and Happy Holidays!
