## SPONSOR SPOTLIGHT: West Chester University

WCU was at the APHA National Conference this year. WCU was invited to speak about the success of their MPH students. Dr. Harry Holt is highlighting the employment outlook for WCU's MPH in Health Care Management graduates. Highlights include a 20% growth in employment opportunities for those holding a MPH in Health Care Management with an average annual salary range of \$82-107k. The MPH in Health Care Management at WCU can be completed 100% online and at a part-time rate. For more information, please visit: [www.wcupa.edu/mph](http://www.wcupa.edu/mph)

## **SPONSOR SPOTLIGHT: Educational Commission for Foreign Medical Graduates**

ECFMG President and CEO William W. Pinsky, M.D. recently did a radio/satellite media tour with Bennet Omalu, M.D., the forensic pathologist who was the subject of the 2015 film Concussion, to talk about the importance of international medical graduate to U.S. health care amidst the growing physician shortage. You can find a link to the story here: <https://www.ecfm.org/news/2019/10/30/dr-pinsky-conducts-national-media-tour-with-renowned-forensic-pathologist/>.
