Chapter Welcomes Trinity Health Mid-Atlantic as New PHO From Member Services committee

Trinity Health Mid-Atlantic has joined HLNDV's Partner Healthcare Organization (PHO) Program with kick-off meetings scheduled for early 2020.

The Partner Healthcare Organization (PHO) Program, which was funded by a Chapter Innovation Grant from ACHE in 2013, aims to increase awareness and engagement among senior executives, mid-level managers, and early careerists in HLNDV educational programs and services while encouraging growth in chapter membership. The program is designed for regional healthcare provider organizations serving our communities who value the professional development opportunities offered by ACHE's local professional organization.

Trinity Health Mid-Atlantic is a regional health system that includes Mercy Catholic Medical Center – Mercy Fitzgerald Campus in Darby, Pa.; Mercy Catholic Medical Center – Mercy Philadelphia Campus in West Philadelphia; Nazareth Hospital in Northeast Philadelphia; Saint Francis Healthcare in Wilmington, Del.; St. Mary Medical Center in Langhorne, Pa., and home health and LIFE programs throughout the region. These entities include hospitals, associated clinics, medical offices, specialized facilities, affiliated institutions, and foundations serving together in the spirit of the Gospel as a compassionate and transforming healing presence within their communities.

Trinity Health Mid-Atlantic is a member of Livonia, MI-based Trinity Health, one of the largest multi-institutional Catholic health care delivery systems in the nation. Trinity Health includes 94 hospitals, as well as 109 continuing care locations that include PACE programs, senior living facilities, and home care and hospice services.

"Trinity Health Mid-Atlantic is honored to partner with this award-winning ACHE regional chapter," said Mike Gallagher, Regional Director of Business Development and partnership Ambassador.
